Instructions:

- **Aim:** to get as many points as you can. (3 squares in a row=10 points; 4 squares in a row=20 points.)
- Take it in turns to speak for two minutes about one of the topics above. To mark your symbol on that square, you need to speak for **the full two minutes**. (Your partner should time you.) As with the exam, you have a minute to think about what you are going to say and take notes.
- **Remember:** think about questions beginning with "What", "Who", "When", "Why" and "How" – which appear on IELTS Part 2 speaking cards and answer them as you speak.
